Intruder Shield

discreet & durable window security

Intruder Shield is an industry accredited and police approved window security product.

Intruder Shield gives the impression of tinted glass from a distance but is a visible deterrent to intruders and vandals.

Intruder Shield protects property and glazing by preventing access to windows

It is a durable metal screen mounted in front or behind existing windows and complements existing windows and doors with frames available in a variety of colours.

The perforated screen offers protection against unauthorised access to the property through the window, or door, whilst also protecting the glass against blows, rocks or even air gun pellets.

The fixings are neatly recessed within the frame and finished with a cap.

Secured by Design

Police Preferred Specification

Accredited by the Secured by Design Award Scheme managed by ACPO CPI on behalf of the Association of Chief Police Officers.

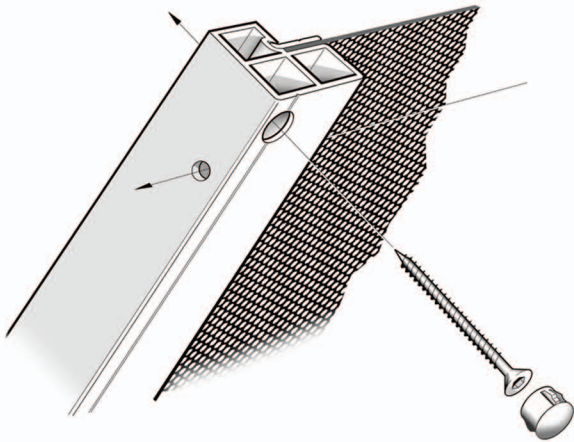

Intruder Shield is attack tested to LPS 1175 Security Rating 1 by The Loss Prevention Certification Board (Part of BRE).

Intruder Shield offers tough, hard wearing yet unobtrusive window security without compromising building aesthetics.

product specification

Frame: Extruded aluminium - bespoke sections according to type. Alloy 6063 polyester powder coated.
Mesh: Perforated galvanised steel minimum Z200 - 2mm thick - hole pattern 4mm @ 5mm staggered 60 degree pitch - polyester powder coated black.
Fixings: Countersunk head 4.5 or 4.8 case hardened. Bespoke nylon protective one-way cap.

product benefits

- Provides a tough physical barrier
- Visual deterrent to vandals and burglars
- No unsightly bars or opaque grills
- Gives the impression of tinted glass
- Cost effective alternative to re-glazing
- Can reduce insurance premiums
- **5 year warranty**

Before Intruder Shield Installation

I was recommended Fingershield by the police (crime prevention unit) and they advised me of a product which was better than the standard bars over windows or shutters - Security Shield.

Overall the service provided was excellent from start to finish and I would not hesitate to recommend them to anyone wanting to improve their security.

Alex Affleck, Manager, Ramsdens Jewellers, Cleveland
